Please find below an overview of new policies and procedures we are instituting to ensure the health and safety of our staff and visitors. Please note that we are still unable to accept groups of more than ten guests.

- At this time, we are unable to offer any indoor seating. Picnic tables have been spread across the property and there is plenty of room for blankets and lawn chairs for those who wish to bring their own.
- Children and Pets are welcome. However, now more than ever, it will be important to ensure your entire family is being mindful of the space of others.
- We will not be reusing glassware at this time. Individuals are welcome to bring their own wine glasses from home or we will have disposable plastic cups available.
- At this time, we will only be offering bottle sales on wines, beer, and spirits; no tastings will be available.
- Restrooms will be available at the Brewery (one hallway in; one hallway out). Old House Sanitizer will be available to use at all bar and restroom locations.
- All staff will be wearing masks for your protection. We ask that everyone wear masks when ordering or using our restroom facilities.
