

PHASE 3 REOPENING GUIDELINES

Please Remember to bring a Mask.

Old House Vineyards will continue to operate primarily outdoors with picnic table seating spread out across the entire property.

Due to the large outdoor spaces available to us, our indoor facilities will remain closed.

The only covered area open in the event of rain showers will be Wedding Pavilion located by the water. During rain showers, the wedding pavilion will also be the location of our primary bar both during the week and on weekends.

Please find below an overview of new policies and procedures we are instituting to ensure the health and safety of our staff and visitors.

- Picnic tables have been spread across the property and there is plenty of room for blankets and lawn chairs for those who wish to bring their own.
- Children and Pets are welcome (Pets on leash and outdoors only). However, now more than ever, it will be important to ensure your entire family is being mindful of the space of others.
- We will not be reusing glassware at this time. We will have disposable plastic cups available and individuals are also welcome to bring their own wine glasses from home.
- Old House Sanitizer will be available to use at all bar and restroom locations.
- **All staff will be wearing masks for your protection. We ask that everyone wear masks when ordering or using our restroom facilities.**
- No Reservations are being taken at this time. We do have plenty of outdoor picnic seating. However, please note that in the case of rain, our covered seating areas are limited and on a first come basis.

Please read below for an update on Current Hours of Operation and Available Beverages.
